MUSIC CONCERT ANNOUNCEMENT

April 5, 2008 — 7:30 pm

The **Folk Music Society of Huntington's FIRST SATURDAY CONCERTS** will present:

MIKE AGRANOFF

*A one-of-a-kind
folk musician*

Ain't never been plussed ...

Photo by: Jake Jacobson

Mike plays a superb fingerstyle guitar in idioms ranging from ancient harp tunes to obscure Tin-Pan-Alley compositions. His concertina arrangements of music by anyone from Bach to Berryman may be haunting, complex, exciting, but are, above all, musical. A performance might include a song of heart-stopping emotional impact, a Scott Joplin piano rag, an a capella Irish patter song sung to the melody of a mile-a-minute fiddle tune, a riveting recitation in the style of Robert Service, and some of the most horrible parodies in the English speaking world. Whatever else he does, Mike puts a lie to the notion that folk music is boring.

Mike is not only a collector of songs and a master at arranging them, but is also a writer of songs and recitations. Mike is a refreshing alternative to the endless stream of singer songwriters ... he makes us laugh, cry and think, all the while entertaining us long into any evening of music.
